

Building Completion Certificate

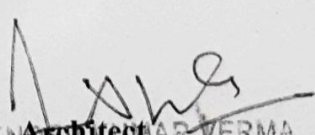

I do hereby certify that the construction works "K.D. College of Education, VPO - Pali, Tehsil & Distt. - Mohindergarh (Haryana)".

It has been completed to in accordance the sanctioned plan. That the workmanship & the whole of the material used are good quality.

I found that the building is permanently built with first class. Specification of material i.e. 1st class bricks in cement sand mortar, R.C.C. Roof Cement conc. with Marble & Kota Stones flooring: Country wood doors and windows, electric wiring all underground, sanitary service connected with Septic Tank cement and, Plaster in side & out sides & ceiling, the building doors & windows dully painted with standard paint.

So, I can safely that the building has a good structural soundness.

I further certified that the above said building is earthquake resistant and fire safety norms have been strictly followed.
